Wordsearch An Innovative Adventure in the Gorge

Wordsearch in the Gorge

Terry Walker looking for something starting with "R"!

The Cataract Gorge was looking magnificent on Sunday 24th November; the weather was perfect. The ideal setting for the NTCC 'WORDSEARCH' challenge.

We assembled at the Gorge Pool and 12 club members each picked their word out of Steve's bag, then set off to find photographs that would spell out their 8-letter word. Members spent the next 2 hours muttering STRANGER, DISTANCE, WATCHING and BREAKING as they tried to find images starting with all the tricky letters in their word. Steve assured us there were no x, y, z or q letters or repeated letters (Eh strangers has 2r's!)

President Steve hits the jackpot with a find, thanks to a cooperative park visitor

As we met up along the way, many were asking 'if anyone had found something beginning with i or e?' There was plenty of laughs too. Steve appeared to target tourists asking to photograph their tattoos and Instagram cameras. It was a great challenging, fun-filled 2 hours ending with a meet-up and drinks at the Basin Cafe.

If you missed the field trip, never fear, as you can complete the challenge solo. Louise did when she found the dates clashed with her mountain climbing. We hope to view the photographs at an upcoming club meeting.

Appreciation Awards

The Appreciation Award for December 2019 goes to Judy Davey and Tammy Jones who judged the club's November colour and monochrome competitions.

With the number of entries in the club's monthly competitions being around 30, it is a major task to appraise all the images, award points to each image and decide between the top images entered. A challenging aspect of judging is that you put your opinion out there for people to see.

On top of this Judy and Tammy wrote comments on each image entered.

Judy and Tammy, thank you for all the time and effort you put into judging the November competitions.

Northern Tas Camera Club has made an excellent start in the first round of the B grade interclub competition, after being promoted from C grade to B grade, and facing stiffer competition.

Competing against photographic clubs from Belgium, England, France, the United States to name a few, our club has started well, and is in fourth equal place out of 25 teams after round one. A big thankyou to Phillipa Alexander for selecting and submitting the entries for round one.
