Northern Tasmanian Camera Club Facebook Members' Group Images for May Challenge

"Something Old, Something New"

Have a good look around your home everyone and share with us images of any items that are "Treasured" or "Unusual" in some way. If you want to photograph these items artistically, so much the better

You can upload up to three images anytime during the month of May. No old images please!! Just new ones taken during this time at home.

Here are a couple of uploaded images for this month's challenge.

From Steve Whitworth

This cycling medal, from the Canley Park Wheel Club in Sydney's west, was awarded to my grandfather Arthur Whitworth, in 1911. It is both 'treasured' and 'unusual'!

From Sonya Byrne

His Majesty's Voice. This belonged to my parents and was stored away. It's old and eaten by moths or silverfish.

From Robert Dillon

This fella has travelled with me some miles. I bought him from a French dealer along with 3 others. I enjoy his presence and would just love to be able to see the things he has. At the moment, he over looks my desk.

I am yet to give him a name!

From Sonya Byrne

An old Weigel's pattern as well as a Woman's Weekly dated 16th January 1960

From Rod Oliver

Photo of my father (95) competing in athletics in Brisbane pre- World War 2. He was the Queensland One Mile Champion

Safety Note Carrying camera bags

In situations like carrying things out to the car, the camera bag might be the last item you are carrying in your hand, if you are holding multiple items. Other items which may be heavier are closer to the wrist. The handle of the camera bag is held by the tops of the fingers.

If the hand is weighed down by the weight of objects, or you have to adjust the objects you are holding, the camera bag can slip off the tips of your fingers onto the floor or concrete.

To avoid this, always pick up the camera bag first so that it is held closest to the wrist. Slip the four fingers under the camera bag handle and the thumb over the handle, locking the bag to the hand. Preferably, carry no other object in the hand holding the camera bag.

Appreciation Award

The Appreciation Award for May 2020 goes to the judges of the April Club Competitions, Belinda Fettke and Bronwyn Matthews.

Judging is a demanding task, assessing something like 60 images, ranking them and providing comments on each image.

As you can see from the images above, deciding the order of merit of images is challenging with the variety of images entered. As members of the club, we appreciate people like Belinda and Bronwyn giving up their time to judge the images.

Thank you
