Appreciation Awards

One of this month's Appreciation Awards goes to President Steve for his herculean effort at the April Club meeting where Steve, in addition to chairing the meeting and updating members about club activities, also ran the learning session and demonstrated valuable techniques to members (see above). Steve Emailed members with details of relevant training material.

Fantastic effort Steve. Thank you.

The second Appreciation Award goes to Wendy Geddes for organising the visit to Entally Estate. Members had free run of the grounds – around the house and buildings, the vineyard in autumn tones and the grounds. So much to photograph. It was appreciated that the National Trust waived entry fees.

Thank you, Wendy.

May 2021

Photographic Society of America Interclub Competition for digital images.

The Northern Tasmanian Camera Club has entered the Interclub Competition organised by the Photographic Society of America for the past 5 years, the last two years, competing in the B section of the competition.

In the 2020/21 competition, the Northern Tasmanian Camera Club finished in 6th position in the B section, competing against teams from the Americas, Asia and Europe. This is remarkable achievement for a team from regional Australia.

In the third round of the interclub competition, Jim Jacob, for his image "Cadillac of the Sky", and Steve Whitworth for his image "Rock the Core", were awarded Honorable Mentions (See images on page 7).

The Launceston-based club will compete in 2021/22 with the goal of being promoted to the A grade section for 2022/23.

The Club is also considering entering the Interclub competition for nature photography in 2021/22.
