Retracing "Voyage in a Caravan" to St Helens Great Adventure, Then and Now

On December 8th, 1896, Frank Styant Browne, photographer and Joshua Higgs, artist, embarked on an epic journey in a horse-drawn caravan to St Helens via the Fingal Valley and back to Launceston via Weldborough and Scottsdale.

On 22nd and 23rd May this year, members of the Northern Tasmanian Camera Club set out from Launceston to follow the caravan's route, where possible. The connection between the two trips was that Frank Styant Browne was the driving force leading to the formation of the Northern Tasmanian Camera Club in 1889.

Appreciation Award

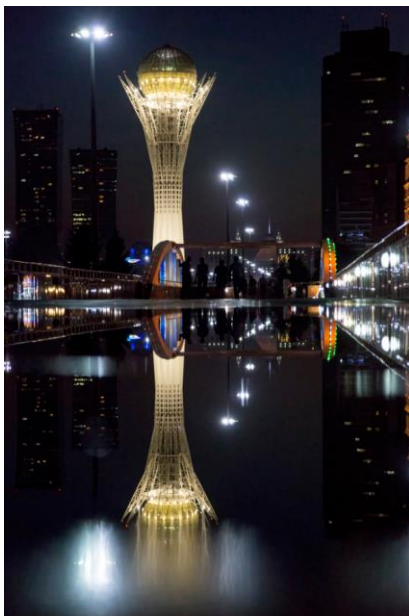

This month's Appreciation Award goes to Bronwyn Matthews for the presentation at the May club meeting on her travel through countries in Central Asia: Kazakhstan, Turkmenistan, Kyrgyzstan, Uzbekistan, and Tajikistan – "The 5 Stans".

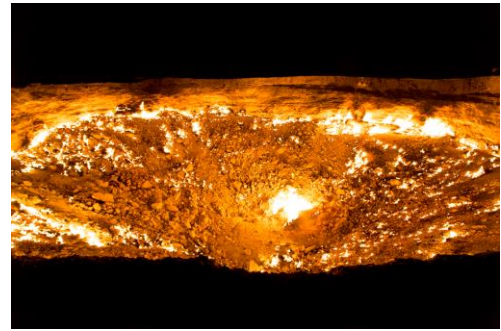

Bronwyn's talk provided an insight into the people, culture, architecture, lifestyle, of countries we know little about. Great presentation. Thank you, Bronwyn.
