### Appreciation Awards

**Donn Corcoran**

This month, an Appreciation Award goes to Donn Corcoran for putting together a very detailed document identifying lots of options that are available for post-processing images. The document can be viewed on the Club's website.

**Steve Whitworth (left) and Felix Staub share a joke.**

The second Appreciation Award goes to President Steve Whitworth for the enormous effort Steve put into organising the End of Season competitions, including publicising the competitions to members, arranging for judges, sorting out entries and submitting them to judges, collating results, producing certificates, collecting trophies, and having them engraved, etc.

Steve also produced excellent Power Point presentations of all entries in the competitions. Most of that had to be done before Steve flew off to Perth to see his family. On top of the above, Steve had to produce his President's Report for the AGM.

To cap it off, Steve had to cope with the uncertainty of returning to Tasmania, given the lockdown in Western Australia.

The third Appreciation Award goes to Terry Walker and Denise Wilson who are leaving the club committee to conduct the "Bookings" subcommittee which will arrange presenters for club meetings and judges for club competitions. They are joined on the "Bookings" committee by Daniel O'Shea. Terry's experience has been invaluable in running the club competitions, and teaching. Denise has played a leading role in setting up the Learning Sessions. If you have suggestions for judges or presenters, please contact Terry, Denise, or Daniel.
