Appreciation Award

This month's Appreciation Award goes to:

Rhonda Mortimer and Muriel Rollins for compiling the information on visiting Bruny Island. It was comprehensive including accommodation options, activities, businesses, places to visit, ferry timetables, and eating places. For many of us who had never visited Bruny Island, it was an enormous help. Thank you, Rhonda and Muriel.

## Changes to the Club Constitution

The review of the Club Constitution by Rhonda Mortimer, Ron Camplin and Rod Oliver has now been completed and suggested changes approved by the Club Committee. The proposed changes and the version of the Club Constitution including the suggested changes will be emailed to club members.

At the club's Annual General Meeting on Tuesday 12<sup>th</sup> July, the changes will be voted on for adoption. A number of the proposed changes are of an administrative nature e.g., including a Table of Contents for locating specific matters. Significant changes include providing for electronic payments of accounts. The term that the President may serve remains at 2 years but can be extended if approved by members.
