## February 2024

### Alphabet Challenge Saturday 20<sup>th</sup> January At the Gorge

An enthusiastic group gathered at the Gorge Café on the Trevallyn side of the Gorge. Parking was a challenge, then the shortcut from the West Launceston side was under water and closed off.

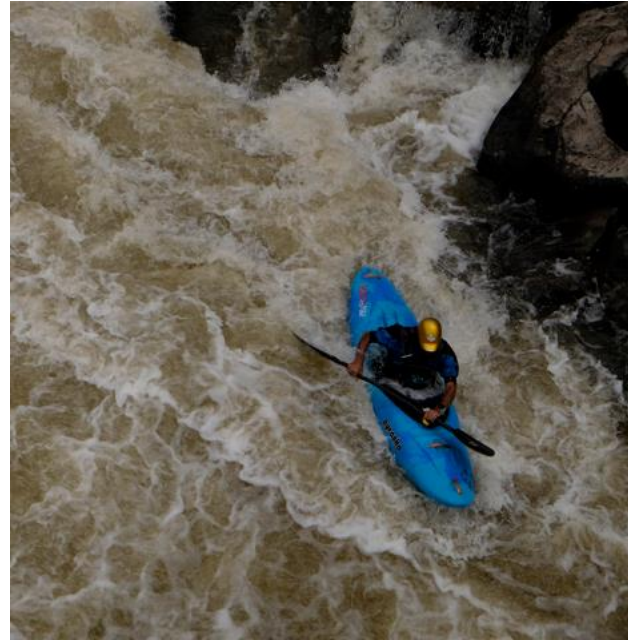

First task was to select a seven letter word, each letter specifying a photo starting with that letter. Challenge organiser Muriel did a fantastic job coming up with innovative seven letter words. My first response was how am I going to come up with photos starting with letters Q and I.

New member Alan Murray drawing a word.

After the word draw and a briefing from Muriel, members headed off in pairs or singly looking for subjects starting with their allocated letters.
